An Unforgettable Trip

I finished my homework last Sunday. I was free. My parents took me to Binhai Park. We went there by bus. I was excited on the way. Half an hour later, we got there. I got off quickly. We played games first, and then we went boating on the lake. We took a lot of pictures there. We had lunch at a restaurant near the park. We went shopping on the street after lunch. My parents bought me a lot of snacks and books. We went home by bus at about six o'clock.

My sister

I have a sister. Her name's Helen. She's twenty-one years old. She has long curly black hair. She wears glasses. She is very friendly. She likes swimming and playing chess. She's a music teacher. She often drives to work, but sometimes she goes to work by bus. When she was a child, she could sing well. So my parents wanted her to be a singer. But she had a dream. She wanted to be a music teacher. And her dream came true. I love her very much.

B)66. Hi, my name is Lu Kai, and I'm 14 years old. I'm a student of Beicheng Middle School. I usually go to school by bus. I love playing sports. I can play basketball. I like to sing, and I can play the *erhu* well, so I want to join the music club.

There are too many rules in my family. I think it is important for me to remember and follow the rules. My parents are very strict with me. I must do my homework first after school. I can't relax after supper because I must read books. I must go to bed before 10:00 every night.

B)66. (5) Hi, everyone. My name is Tina. I'm so glad to introduce myself.

I'm 13 years old, and I come from Taizhou. As a student, I like playing basketball very much. It's an exciting and healthy way to exercise. And I can play the violin. As for animals, I like pandas best. They are so lovely and interesting. They like eating bamboo. I live in a busy street. My house is between a school and a library. It's not far from my home to school, so I usually go to school on foot.

I hope we can have good days together.

(4) B)66. It's a sunny day today. Tom and his parents go to the park in the morning.

He is having fun with his parents in the park. There are many people in the park. Some children are playing games. Some boys are playing soccer. What about the girls? Look! They are singing and dancing under a big tree. Some women are drinking tea together. All of them look happy.

How's it going? I'm glad to hear you are coming to our school. Now let me tell you something about our school rules. Here are these rules.

First, don't arrive late for class. Second, we must say hello to our teachers when we meet them. Third, we have to keep our classroom clean and tidy. Besides, don't eat in the classroom. And don't listen to music or talk loudly in the classroom. And we should go home on time after school. Everyone must follow the rules.

I hope I can see you soon.

Our favorite animals (2)

Everyone has his/her favorite animal. Now my two friends and I are talking about our favorite animals. Lisa likes cats best. She thinks that they can catch mice and that they look very lovely. Dogs are Eric's favorite animals. He thinks that they can do lots of things for people and that they are the most popular pets. As for me, I like horses best because they are good at running and they are very beautiful.
